

ULTREYA, Blessed Trinity!

Survey sez!

Thanks to all the people who completed the survey - your input is greatly appreciated and valuable as we try to meet needs of BT's Cursillista! We will go over the survey results in more detail at May's meeting, but please know that we will meet in JUNE and AUGUST but will NOT be meeting in July!

April's Meeting

The host group was Maria Bibbs, Annemarie Curcio, Joan Killallon, Jan Schirmer, and Terry Schultz Nourse. The reading shared was Titus 3: 1-8. Terry offered a witness in how God was working in her life and that her intention was taken from St. John the Baptist idea of "He must increase, I must decrease", and she is doing that through ADDing meaning to her life. ADD stands for: Aware, Disciplined, and Deliberate

May's Meeting

Since our May Ultreya falls on the 100th anniversary of the appearance of Mary to the children at Fatima, we are going to forego a witness talk and gather at the outside shrine of Mary to say the rosary. In this way we will honor our heavenly Mother and our Mothers (since we will celebrate Mother's Day on Sunday!) Since there isn't a host group, we asking six of our group to volunteer to bring snacks. Please e-mail docterrysn@gmail.com if you can bring something. We will look forward to seeing you all soon!

Pray Chain Information/Google Group

First thank you to **Nanette Wicks** for her tireless efforts in making sure we get the pray requests in a timely manner. We so appreciate all her time in serving our Ultreya community. We also extend our condolences as she just suffered the loss of another son. May he rest in the peace of Christ and may God continue to provide strength and peace to Nanette.

Nanette will be leaving for her summer journey on June 10th through August sometime. Since her Wi-Fi access is hit her miss, please either post your pray requests directly in the Google Group or send them to Terry at docterrysn@gmail.com and she will make sure they are sent out. We will look forward to Nanette returning in August and resuming her work with the prayer chain.

Please write this down...

To love means loving the unlovable. To forgive means pardoning the unpardonable. Faith means believing the unbelievable. Hope means hoping when everything seems hopeless.
