STEWARDSHIP BY THE BOOK

Elijah recognized the voice of God not in the strong and heavy wind, not in the earthquake, and not in the fire, but in a tiny whispering sound. May we find enough quiet in our clamorous world to hear His voice and discern what He is calling us to do and be.

STEWARD OF THE WEEK

JANE HOESTEREY

Thank you to Jane for all your hard work and dedication in organizing the Catholic Heart Work Camp Mission trip to South Carolina. The week was great for all who participated!

Thank you for being a faithful Steward!

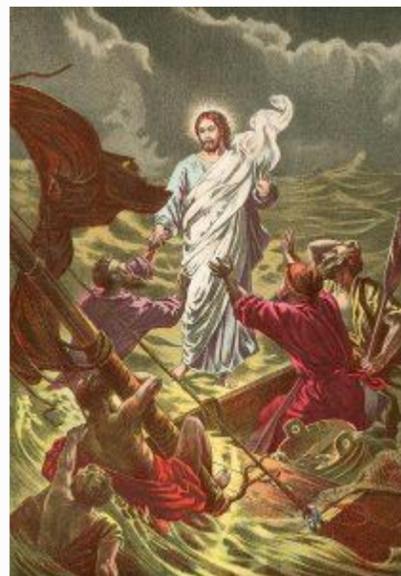

BAPTISMS:

In today's Gospel from the Book of Matthew, we hear the remarkable story of Jesus walking on the Sea of Galilee. St. Peter reflects his faith in the Lord when he says, "Lord, if it is you, command me to come to you on the water." Jesus says simply, "Come." We do not know if Peter stepped into the water or jumped and it does not matter. His faith and trust in the Lord allows Peter, too, to begin to walk on the water. Clearly when Peter's focus is on Christ, he is able to accomplish this.

However, when Peter loses his focus and begins to observe and think about the storm raging around him, he begins to sink. To Peter's credit he knows exactly to Whom to turn in that situation. "Lord, save me." We may often find ourselves in similar circumstances. Peter knew exactly Who to call out to at the moment of crisis. We may do the same.

God truly loves us; we are His children. Listen to the Word of the Lord in Psalm 91: "Because he loves me," says the Lord, "I will rescue him; I will protect him, for he acknowledges my name. He will call on me, and I will answer him; I will be with him in trouble; I will deliver him and honor him. I will satisfy him and show him my salvation."

St. Francis de Sales wrote, "Either God will shield you from suffering, or He will give you unyielding strength to bear it. Be at peace then; put aside all anxious thoughts and imaginations."

"...a vital tool to enable parents to transform a regular dinner time into a prayerful faith lesson for their elementary school to high school aged children. It will indeed help to fulfill the Catholic Church's vision for evangelization in the family and beyond. Through 52 fun and creative faith lessons (one for each week of the year), this one-of-a-kind book will encourage parents and caregivers to seize the opportunity in teaching the Catholic faith to the children (the captive audience waiting to eat!) while gathered at the dinner table, and while reminding them of the value of coming together as a family to break bread and share hearts."

We pray that you had a fantastic school first week and wish you a successful year both teachers & students. Theology on Tap: Should we Be Afraid of Muslims?

In our diverse world today, there can often be misconceptions and twisted truths about other races, religions, and cultures. This can lead to fear, anger, and sometimes violence. Imam Abdurrahman Sykes (an Imam is like a Muslim priest) will join us at Theology on Tap on Thursday, August 17th, at 7pm at the Corkscrew in Ocala, to share a little bit about the Muslim faith and dispel some stereotypes and misunderstandings we may have about terrorism and religious violence. Come share your thoughts in this positive, casual atmosphere open to any young adult, religious or not! There will be music, light food, beverages, and great discussion! Please contact us at ecook@blessedtrinity.org for more information. Spread the word and bring a friend! Thanks, and looking forward to seeing you there!
