

ONWARD! BT'S ULTREYA!

JULY 2019

We hope you all had a wonderful fourth and that the summer is providing a time of rest and restoration for our Ultreya family.

The picnic in June was a hit and we are glad those of you who came were able to join us.

We wanted to keep you abreast of what is going on and upcoming in our community - so please read on:)

May God bless you and keep you safe as we enjoy the rest of the summer!

For more information, questions, or concerns, please contact our Ultreya coordinators:

33 DAYS TO MORNING GLORY

This would be a great way to do piety and study all while adding a wonderful spiritual dimension to your summer.

DATES & HOST GROUPS FOR 2019/2020

Here are the list of host groups for our Ultreya meetings for Fall 2019 through Spring 2020:

- October 12, 2019-Angela DeSimone, Dee Hartley, Kelly Thompson
- November 9, 2019-Mario Lipari, Gerald Brown, Kevin Stoothoff, Bill Murray
- January 11, 2020-Michelle Hernandez, Janice Cerra, Chona Tanner
- February 8, 2020-David Ellspermann, Jerry Guerra, Al Milton, Don Stevens

- March 14, 2020-Sue Milton, Carol Altenburger, Anne Franck

Phyllis Marino is who assigns the groups and she will send out reminders as your month comes up. Although we do not have a group for September or next June the plan is to do our [Come And See Ultreya](#) event again in September and the picnic in June.

December has always been a difficult time to meet. April and May have holidays on the second Saturdays. So five (5) regular Ultreyas and two (2) alternate ones - it would be wonderful if you can try to make at least 4 of them. It's not the same without you!

BABE CHICKS!

We had three women this past spring attend the women's weekend. They were welcomed at the Ultreya but we wanted you all to know they are part of our community now. May God continue to bless them as they live their Forth Day!
